# Fall Fashions

OLLOWING the trend of the times Fashion has developed coats and suits along simple straight lines-no more elaborate flares, no "fussiness."

But, oh, what attractiveness has been embodied in each and every garment by that famous designer, Bischof.

You will be delighted with the new collars, for example-the "Duplex," the "Monoplane," the "Owl," the "Muffle Scarf," the "Kirby Kollar,"

The new lines are exceedingly becoming. Come in and see them.

### FOR COUNTY JUDGE

W. A. COX

TO THE VOTERS OF ROCKCASTLE COUNTY:

As you are aware, I am a candicate for County Judge of Rockcastle County, and now appeal to you for your support. The Republicans are urging you to vote the straight Republican Ticket.

My friends, do you as good and patriotic citizens think you should always vote one Ticket, regardless of the candidate for whom you are asked to vote? Will you vote blindly for the sake of party? Voters, remember that ex-president Roosevelt, twice president

of this great Nation, et president William H. Taft, Charles E. Hughes, late candidate for president on the Republican Ticket, and Elihu Root, one of the most intellectual men in all the world, are now supporting an Independent candidate for Mayor of Greater New York. These are four of the most illustrious men

A few years ago fourteen thousand Democrats voted for W. O. Bradley for Governor and elected him Chief Executive of Kentucky. Two years ago nearly as many Domocrats voted for Edwin P.

Last year thousands of leading Republicans throughout the Nation voted for President Wilson. If these men could fail to blindly follow the party wherever it leads, can't we in the good County of Rockcastle do likewise?

I promise you, if I am elected, I will look closely to the interest of the people of Rockcastle County. I will give my entire attention to the duties of the office. When you come to Mt. Vernou on business with the County Judge you will always find me at my post, ready and willing to discharge my duties. I promise you that if elected politics and creeds and personal friendships will not control my decisions, but I will render justice alike to the great and small, the rich and poor, black and white.

I will be guided alone by law and justice. Many Republicans have urged me to rnu and pledged me their support. I feel confident of my election.

Very truly, W. A. COX.

#### TO THE VOTERS OF ROCKCASTLE COUNTY:

Let us get our heads together and work for the best interest of our county. As I said in my announcement, I am a candidate for work is proving very satisfactory Sheriff on the Independent Ticket, and after being urged by many Republicans and Democrats to make this race, I am determined to make same to the end. I feel that the mass of the good people of Rockcastle are interested in this election and they are going to make a change, so let us all work together for the best interest of our county. If such great men of the United States as Exery to replace hand labor that President Taft and Roosevelt can work for an Independent candidate for the State of New York, it looks like the good people of Rockcastle can follow suit, and work and vote for an Independent candidate for Sheriff. I am not asking you as a Republican or Democrat to vote for me, I am asking the good people as voters, and if they believe I will make a good Sheriff and treat all the people alike, and will be Sheriff for the

> Yours for sheriff, C. H. FRITH.

## Recollect

when you were a little fellow and ate too many green apples and had the stomach ache? Geeminy Crickets! how it did hurt. All doubled up, thinking you couldn't stand it another minute. Then your Mother would give you some jamaica jin-

ger-'member how it would burn going down? but 'tereetly your poor little stomach would get just as warm and you could feel yourself getting easy. Ay, Boys! that easy sensation did feel so good!

If today you have partaken too freely of the green apples of Extrauagance and are all doubled up with the "colicy" pains of Debt - try the best-old fashioned remedy. Take a dose of Economy and Hard-work. It will burn a little-but it will ease you certain, and how good and happy you'll feel!
